**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

The financial report covers the Australian Salaried Medical Officers Federation Queensland Branch ("ASMOF Queensland Branch") as a reporting unit. The Australian Salaried Medical Officers Federation ("ASMOF") is an organisation registered pursuant to the Fair Work (Registered Organisations) Act 2009.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements, the Australian Salaried Medical Officers Federation Queensland Branch is a not-for-profit entity.

The following is a summary of the material accounting policies adopted by the reporting unit in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

The accounting policies set out below have been consistently applied to all years presented.

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Costs are based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Accounting Policies

a) Income Tax

No provision for income tax has been raised as ASMOF Queensland Branch operates solely as a trade union under the Fair Work (Registered Organisations) Act 2009 and accordingly is exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

b) Comparative Figures

When required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

c) Cash and Cash Equivalents

Cash and cash equivalents are recognised at their nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

d) Revenue

Revenue from subscriptions is accounted for on an accruals basis and is recorded as revenue in the year to which it relates.

Donation income is recognised when it is received.

Interest Revenue is recognised on an accruals basis using the effective interest method.

All other revenue is recognised when the goods or services have been provided to the customer and the amount can be reliably measured and it is probable that the benefit will flow to the Branch.

e) Goods and Services Tax (GST)

ASMOF Queensland Branch is not registered for Goods and Services Tax (GST). Revenues, expenses and assets are recognised inclusive of the amount of GST. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are presented in the Statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

f) Critical Accounting Estimates and Judgements

The committee of management evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the union.

There were no significant or material estimates and judgements used in the preparation of the financial statements.

g) New Australian Accounting Standards

Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year, except for the following standards and amendments which have been adopted for the first time this financial year:

- *AASB 2013-9 Amendments to Australian Accounting Standards – Conceptual Framework, Materiality and Financial Instruments* – These amendments did not have a significant or material impact on the Branch's Financial Report.

**AUSTRALIAN SALARIED MEDICAL OFFICERS FEDERATION,
QUEENSLAND BRANCH

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- *AASB 2015-3 Amendments to Australian Accounting Standards arising from the Withdrawal of AASB 1031 Materiality* - These amendments did not have a significant or material impact on the Branch's Financial Report.

Future Australian Accounting Standards Requirements

New standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period are not expected to have a material impact on the Branch.

h) Fair Value of Assets and Liabilities

The Branch does not revalue any of its assets and liabilities at fair value on either a recurring or non-recurring basis as it has determined that the assets and liabilities held are not subject to significant changes in their fair values.

Fair value is the price the Branch would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

The assets and liabilities of the Branch and the reason why adjustments to their fair values are not required are as follows:

1. Cash at Bank – the amount held is within a non-interest bearing bank account and its fair value is not expected to vary significantly. No adjustment to the asset's fair values was made at the end of the financial year.
2. Trade and Other Payables – these amounts are non-interest bearing liabilities for the purchase of goods and services used by the Branch. The Branch does not expect there to be any adjustments to the amounts payable (fair value) to settle these liabilities.

i) Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

NOTE 2: INFORMATION TO BE PROVIDED

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1), (2) and (3) of section 272, which reads as follows:

1. A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application;
2. The application must be in writing and must specify the period within which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
3. A reporting unit must comply with an application made under subsection (1).

The Australian Salaried Medical Officers Federation Queensland, Industrial Organisation of Employees ("ASMOFQ"), the Australian Medical Association Limited (AMA) and the Queensland Branch of the Australian Medical Association (AMAQ) were Associated Bodies of ASMOF pursuant to rule 13(8).

NOTE 14: FINANCIAL INSTRUMENTS

ASMOF Queensland Branch's financial instruments consist primarily of deposits with banks, other receivables and trade and other payables. Reference should be made to Note 6, 7 and 8 for the value of these financial instruments. The amounts reported are considered to be their fair values.

ASMOF Queensland Branch does not have any derivative instruments at 31 December 2016.

Interest rate risk and credit risk exposure

ASMOF Queensland Branch manages its exposure to interest rates risk through regular review of its investment held with its financial institution and does not engage in significant transactions, which are speculative in nature. The committee believe the interest rate risk the Branch is exposed to in relation to these financial instruments is low and not sensitive to changes in interest rates.

The maximum credit risk exposure of financial assets is represented by the carrying amounts of assets recognised in the Statement of Financial Position. The committee believe the credit rate risk the Branch is exposed to in relation to these financial instruments is low. None of the Branch's financial assets are past due and considered impaired in value.

NOTE 15: GOING CONCERN

The financial statements have been prepared on the going concern basis. The committee have considered the current positive net asset position, current and prior year profits and losses and revenue streams available to the Branch when determining if the Branch is a going concern.

ASMOF Queensland Branch is a part of the Australian Salaried Medical Officers Federation (ASMOF) and ASMOF is ultimately responsible for its debts. ASMOF Queensland Branch is in continuing discussions with ASMOF concerning its ongoing arrangements.

The ability of ASMOF Queensland Branch to continue as a going concern is not derived from the terms and conditions of an agreement with another reporting unit.

Opinion

We have audited the accompanying financial report of the Australian Salaried Medical Officers Federation Queensland Branch ("ASMOF Queensland Branch"), which comprises the Statement of Financial Position as at 31 December 2016 and the Statement of comprehensive income, statement of changes in equity and Statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by the Committee of Management.

In our opinion;

- (a) the general purpose financial statements presents fairly, in all material respects, in accordance with the requirements of Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 and the applicable Australian Accounting Standards including the Australian Accounting Interpretations, the financial position of Branch as at 31 December 2016, and of its performance and cash flows for the year then ended;
- (b) the union did not conduct any activities for the recovery of wages during the year; and
- (c) management's use of the going concern basis of accounting in the preparation of the financial statement is appropriate;

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report

Management is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Operating Report (but does not include the financial report and our auditor's report thereon).

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the financial reporting requirements of the Fair Work (Registered Organisations) Act 2009, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

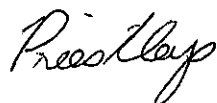

In preparing the financial report, management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Branch or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Branch's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
